DEAFVIBE AT THE POTTERS 'ARF

3 teams from DEAFvibe participated in this years Potters 'Arf, the half marathon that starts and finishes in Hanley.

The teams took part in the relay race, which meant people either ran or walked between 4 different points in Fenton, Bentilee, Milton and Hanley. It was a blazing hot day, but both of the walking teams and the running teams successfully completed the challenge, cheered on by friendly Potteries folk on the roadsides.

The teams between them have raised £518 in sponsorship so far and still counting. Thanks go to Sami for coordinating the teams and to Geoff for transporting the runners to their correct post. DEAFvibe are grateful to all who volunteered and all who sponsored them. Same time next year anyone...???

11 DEAFVIBE VOLUNTEERS QUALIFIED IN FIRST AID

On Saturday 23rd June, 11 DEAFvibe volunteers attended Bradwell Lodge for a full day of First Aid Training. We now have a number of people trained in First Aid.

It was a really interesting day, with lots of information packed into the course. The group was taught how to perform CPR on adults, how to treat wounds and burns and how to manage the scene in case of an emergency.

Everyone agreed that even though the course was useful and informative, they hope that there is never a situation where they have to use these skills.
